3. The Data Bank

1. All seismic, well data, well logs and technical reports available.

2. To be downloaded on request

3. No charge for Data and Reports

The screenshot shows the Perú petro website interface. At the top, there is a navigation bar with links for Home, Site Map, Contact Us, and Intranet. Below this is a secondary menu with categories: About us, Important Information, Investor and Contracting, Environmental Protection, Press, Citizen Participation, and Offices Decentralized. The main content area features a large banner for the 'Bidding Round PERÚ 2013' with a red and white graphic. To the left of the banner is a 'DATA BANK' section, and to the right is a 'COMMUNITIES AND ENVIRONMENT' section. Below the banner, there are three main content blocks: 'Links' (with sub-links for Block Maps, Oil Fees, Contract in Force, Monthly Reports, Daily Production, and Transparency), 'Press Releases' (featuring a release about a bidding round for nine offshore blocks), and 'ON LINE INFORMATION' (a table of production and price data). At the bottom right, there are logos for the Ministerio de Energía y Minas, ProlInversion, and the Peruvian State.
